THE MODEL CLS-100 ADVANTAGE

- SIMPLE START-UP SYSTEM** that provides efficient loading of the rotating drum trailer
- LOW INVESTMENT** allows operators to enter the trailered ready-mix concrete business with lower risks and quicker return on investment.
- SMALL FOOTPRINT** provides a concrete system that can be installed in restricted spaces.
- PORTABLE** which requires no permanent slabs or hook-ups and can be used in remote operations.
- USER-FRIENDLY DESIGN** makes it easy to load, simple to maintain and a breeze to operate.
- CONVENIENT PLATFORM** gives easy access to the bag breaker for the bagged cement.
